

# JOSÉ DE SOUSA®

The José de Sousa Rosado Fernandes Cellar was founded in 1878 and was purchased by José Maria da Fonseca in 1986, fulfilling an old dream of producing wine in Alentejo, in a estate full of prestige and history. The estate is located in Reguengos de Monsaraz, and it is here that a 2.000 year old Roman tradition is kept alive. The José de Sousa Cellar owns 114 ceramic amphorae in which an ancient fermentation method takes place. At the José de Sousa winery, the winemaking technique with talhas is still being used in a very similar way as it was 2.000 years ago.
