

0%RIGINAL

José Maria da Fonseca was a pioneer in terms of creating the first Portuguese alcohol-free wines. The brand 0%original was created in order to reflect the benefits / characteristics of the product itself. A real, authentic wine (original) without alcohol (<0.5%). 0%original gives you the complete wine experience without the alcohol.

Produced from the grape variety Syrah and craft using traditional winemaking methods, the alcohol is gently removed by a physical process while preserving the wine's delicate aromas and flavors.
