

# O%RIGINAL

José Maria da Fonseca was a pioneer in terms of creating the first Portuguese alcohol-free wines. The brand O%riginal was created in order to reflect the benefits / characteristics of the product itself. A real, authentic wine (original) without alcohol (<0.5%).

O%riginal gives you the complete wine experience without the alcohol. Produced from the grape variety Syrah and craft using traditional winemaking methods, the alcohol is gently removed by a physical process while preserving the wine's delicate aromas and flavors.
