

PERIQUITA

SINCE 1850

Periquita is renowned for being Portugal's first ever bottled red. That's where its originality comes from. In existence since 1850, we've been around to celebrate the Portuguese way of life: laid-back, relaxed, warm, fruity and with a spicy nose. That's what Portugal is all about and that we want you to enjoy.

Used to accompany the Portuguese at all times, we created a White from the varieties Verdelho, Viosinho, Viognier and Sauvignon Blanc.
