

TWO VALLEYS

HISTORY

Two Valleys is a non alcoholic wine, made from a dealcoholization physical process. Is addressed to wine lovers who, due to the most various reasons, and in particular situations, prefer to drink a nonalcoholic wine.

José Maria da Fonseca Fonseca is the oldest and one of the most prestigious wineries in Portugal, producing wines, Port and Setúbal Moscatel. With over 650 hectares of land under vine in our main wine regions: Península de Setúbal, Alentejo and Douro, José Maria Fonseca also boasts Portugal's largest winery, with capacity to produce 6.5 million litres of wine in a totally computerised operation.

WINEMAKERS TEAM

Under the guidance of Domingos Soares Franco - the first Portuguese winemaker to graduate from the recognized University of Davis in California - a team of hand-picked winemakers are responsible for undertaking a wide range of research, studies, experiments and innovation that make José Maria da Fonseca a pioneer in much of what is done in terms of winemaking in Portugal and in the world. This is a job that starts in the vineyard, covers the entire production process and ends in the bottled wine made available to the consumer.

ALCOHOL FREE RED WINE

Portugal

José Maria da Fonseca made the first Portuguese alcohol-free wine.
